The seminar will provide the participants with key updates on China's economic situation and policies. Participants will have the opportunity to meet high level representatives and business leaders from China in various fields including: the Automotive Industry, Textile, Machinery and Equipment Manufacturing, Sports goods, Renewable Energy, etc.

A delegation of 50 leading personalities, representing many Chinese companies as well as Provincial Authorities, is visiting the Nordic region and will be with us in Oslo on March 30. We hope that many of you will decide to join us although this important event is scheduled close to the start of the Easter Holiday. We believe that anyone interested to forge or deepen business ties with China will benefit from many important insights and with a wonderful mix and mingle opportunity.
